Major A. Dorbyshell
Coiner

Sir.

In accordance with Your instructions, I have carefully examined Coining Press № 4. and find a general overhauling necessary.

The Journals require re-boring, new bridles, new Steel plate for the bottom of the Stake, and also a new Stake is required to put this Press in thorough repair.

I would respectfully recommend a Steel beam to take the place of the brass one (much worn) now in use.

Very Respectfully
Your Obt Servant
Andrew Fleming

Major O.C. Bosbyshell
Coiner

Sir:

In accordance with your instructions, I have carefully examined Coining Press No. 4, and find a general overhauling necessary.

The Journals require re-boring, new bridles, new steel plate for the bottom of the Arch, and also a new stake is required to put this Press in through repair.

I would respectfully recommend a Steel beam to take the place of the brass one (much worn) now in use.

Very Respectfully,
Your Obt. Servant,
Andrew Fleming
Acting Foreman
